MOTION FOR DEFINITE STATEMENT

Pursuant to Civ.R. 12(E) and applicable rules, now comes Respondent Auburn Vocational School District Board of Education (“Board”) for a definite statement as the complaint is so vague or ambiguous that the Board cannot reasonably be required to frame a responsive pleading as to the following defects complained of and the details desired:

1. The complaint does not identify the legal authority upon which the instant legal action is brought in the name of the State of Ohio and, therefore, the Board desires such details.
2. Paragraph 8 and Exhibit 1 to the complaint is not the request underlying the response upon which the complaint is based including, but not limited to, Paragraph 9 and Exhibit 2 of the complaint and, therefore, the Board desires the details of the actual request upon which the instant complaint is based upon.

Respectfully submitted,

/s/ Matthew John Markling
